Go with Einstein challenge to ensure Gandhi's legacy: Modi

New Delhi/Ahmedabad, 2 October

rime Minister Narendra Modi on Wednesday paid his respects to Mahatma Gandhi at the latter's memorial at Rajghat in the national capital and at the Sabarmati Ashram in Ahmedabad in the evening, where the local unit of the Bharatiya Janata Party (BJP) felicitated the PM for his "successful" visit to the US.

Addressing BJP workers at the Ahmedabad airport, the PM said India's image has gained global prominence. He said the world expected India to play a leading role in resolving international problems. He highlighted the importance of US President Donald Trump attending the 'Howdy Modi' event in Houston.

Modi said during his visit world leaders paid Gandhi "real tributes" at the United Nations. "Gandhi was with us, is with us and will be there for future generations," he said.

In an op-ed published in The New York Times. Prime Minister Narendra Modi proposed what he called the 'Einstein Challenge' to ensure Mahatma Gandhi's ideals are remembered by future genera-

Modi described Gandhi as the "best teacher", "the guiding light" who continues to give courage to millions globally, and uniting those who believe in humanity.

"As a tribute to Gandhi, I propose what I call the Einstein Challenge. We know Albert Einstein's famous words on Gandhi: 'Generations to come will scarce believe that such a one as this ever in flesh and blood walked upon this earth'," Modi wrote in the op-ed titled 'Why India and the World Need

the 150th anniversary of the birth of Mahatma Gandhi, with government sources pointing to its disruptive consequences for the industry.

Earlier in the day, the PM tweeted his homage to Gandhi. We pledge to continue working hard to realise his dreams and create a better planet," Modi tweeted.

In a short video on Gandhi, Modi said his message of peace is still relevant to the world community. He referred to the seven perversions Gandhi had cautioned people about wealth without work, pleasure without conscience, knowledge without character, visit without ethics, science without humanity, religion without sacrifice and politics without principles.

BJP President Amit Shah flagged off a four-month exercise in which party leaders across the country will undertake foot marches and address public events to mark his 150th

birth anniversary. Rashtriya Swayamsevak Sangh (RSS) chief Mohan Bhagwat said Gandhi had visited an RSS shakha in Delhi during the time of partition, interacted with swayamsevaks (volunteers) and expressed joy over their discipline and the absence of divisive feelings over caste and creed among them.

"Its report was published in the Harijan, dated September 27, 1947. Gandhiji expressed his joy over the discipline of the Sangh swayamsevaks and complete absence of divisive feelings of caste and creed in them." Bhagwat said in an article posted on the RSS website.

Gandhi had also visited a Sangh camp near Wardha in 1936 and the next day RSS founder Dr Hedgewar met him at his Ashram. The contents of the long question-answer session and discussion are now in ideals of Gandhi are remem- Gandhi at Delhi Cantonment harmful for both humans and ernment has shelved the plan public domain, he said.

Only Congress walked the path shown by Bapu: Sonia

New Delhi/Lucknow, 2 October

A day after it had welcomed the Bharatiya Janata Party (BJP) for commemorating Mahatma Gandhi's 150th birth anniversary as a sign of the party's "penance", the Congress on Wednesday staked claim to the ideological and political legacy of the Father of the Nation by taking out padyatras at several places across the country.

Addressing party workers at Raighat, the Mahatma's memorial in the national capital, Congress President Sonia Gandhi criticised the Sangh Parivar for trying to appropriate Gandhian legacy, and said only the Congress has walked on the path shown by Bapu to work for the welfare of the people, create jobs, educational opportunities and help to farmers.

"How can those who pursue the politics of falsehood understand that Gandhiji was the worshipper of truth? How can those who can do anything for power understand that Gandhiji was a worshipper of non-violence? How can those thirsty for power underfirst opportunity, how can are adamant on reversing this. Gandhi Vadra said.

Congress President Sonia Gandhi speaks at Rajghat

they understand the value of selfless service of Gandhiji?" she asked.

Congress leader Rahul Gandhi led a march of party workers to the Mahatma's memorial at Raighat in the national capital, Congress president Sonia Gandhi addressed them and administered an Congress General Secretary Privanka Gandhi Vadra led a march in Lucknow. The Congress termed its padvatras Gandhi sandesh yatras.

Alluding to RSS Chief Mohan Bhagwat's recent statestand the meaning of ment, Sonia said India and Gandhiji's Swaraj? Those who Gandhiji are synonymous with claim to be supreme at the each other, and some people

"They want the RSS and not Gandhiji to become the symbol of India," she said. "I want to tell them clearly... there cannot be any thought except Gandhiji's all-inclusive system, that includes the composite culture, civilisation and society of India," she said.

In Lucknow, Priyanka Gandhi Vadra said the BJP should first pursue the path of truth and then talk about Gandhi. "Atrocities are being committed against women, especially in Uttar Pradesh. Rapists are being protected. It is our demand that in the Shahjahanpur incident, a rape case should be registered against the accused," Priyanka

Left relooks at Mahatma's contribution

New Delhi, 2 October

The Communist Party of India (Marxist) marked Mahatma Gandhi's birth anniversary by inaugurating a school in the national capital to train its cadres, and admitting that it has reexamined its view on the contribution of the Father of the Nation.

CPI(M) chief Sitaram Yechury, along with other party leaders, inaugurated the Surjeet Bhavan, named after late Harkishan Singh Surjeet, by paying tributes to political differences between Yechury has written.

that of Gandhi in the auditorium of the newly constructed building.

In an article in the latest edition of party mouthpiece 'Peoples Democracy" to be published later this week, Yechury has said all that Gandhi stood for as the leader of India's freedom struggle is now coming under assault, including his anti-imperialism, upholding secularism; his struggles against untouchability and for social justice.

"Notwithstanding

a portrait of Surject as also Communists and Mahatma, during the ups and downs of the freedom struggle, his adherence to the above principles is both acknowledged and noted," Yechury has said.

"Whatever many say about his espousing khadi and the spinning wheel (charkha) as being 'anti-modern', the fact remains that economic selfreliance and the protection of our economic sovereignty in this age of neo-liberalisation; and, the Modi government's aggressive pursuit of the same. remains an important aspect,

TENDER CARE

ECoR News

I ife Line of the country - Indian Railways plays a vital role in the devel-**L**opment of our nation. Safety of both Trains and passengers is now a top most priority. Indian Railways work-force engaged themselves to work round the clock consistently for a safe journey. In view of safety related modernisation works like execution of track renewals, construction of subways and Road Over Bridges (ROBs)/Road Under Bridges

(RUBs), provision of more Foot Over Bridges at Stations, modern signalling system, track route inter locking, etc., train accidents have been reduced now and safety level in Railways have been increased. This is possible due to hard work and working spirit of Railway employees. To avoid any accident to staff on duty, ECoR has taken steps to aware its employees to be alert when on duty by following Safety Rules strictly. Railway staff have also been advised to adopt various precautions during Railway work. To educate Railway employees on their personal safety consciousness, there is need for awakening them through Awareness Drive. East Coast Railway has launched one month Safety Drive on Precautions at work place for personal safety of Staff from 25th September to 24th October, 2019 involving Officers, Supervisory Staff and staff involved in Safety Category of all the Departments of Railways. During the drive, East Coast Railway has issued advisory to Staff of Operations Department, Signal & Telecommunication Department, Civil Engineering Department, Mechanical Department and Electrical Department including Loco Sheds of ECoR for their personal safety.

2nd batch of 15 trained to join security duties in Coalfields

Second Batch of 15 trainees out of 79 land ousteees selected for Security services from Talcher Coalfields passed out recently after an induction training at Management Training Institute (MTI) at company headquarters.Mr B N Shukla, CMD and Mr KR Vasudevan, Director (Personnel) presented certificates to the newly inducted security personnel after they took 'oath of loyalty' administered by Lt Col B K Singh, Chief of Security. These security personnel will serve at various units under Bharatpur Area, Jagannath Area and Company Headquarters.

Syndicate Bank observed Hindi Divas

Syndicate Bank, Regional Office-1, BBSR organised Hindi Divas Samaroh. On this occasion Mr. Muralidhar Behera, Zonal Head presided the meeting and Mr. Alok Kumar, Chief Manager, SBI was the Chief Guest. Shri Dharmendra Pradhan, Hon'ble Minister of Petroleum and Natural Gas; and Minister of Steel in a visit to Rourkela

hri Dharmendra Pradhan. Hon'ble Minister of Petroleum and Natural Gas; and Minister of Steel, Govt of India arrived at Rourkela on a 3-day visit on 28th September 2019. He was received at the Airport by Mr. Jual Oram, Hon'ble MP, Sundargarh and Chairperson of the Parliamentary

Committee on Defence, Mr. Anil Kumar Chaudhary, Chairman, SAIL, Ms. Soma Mondal, Director (Commercial), Mr. Atul Srivastava, Director (Personnel), Mr. Harinand Rai, Director (Technical), Mr. Shankar Oram, Hon'ble MLA, Biramitrapur, Mr. Dipak Chattaraj, CEO, RSP, Dr. Vijay Yeddulla, ADM, Rourkela as well as many other senior officers of SAIL, District Administration and eminent citizens of Rourkela. Speaking to the media persons, the Honourable Minister said, "I have come here to understand the various issues pertaining to Rourkela. I will meet various stakeholders including workmen and will visit the mines also. We will work towards making Rourkela an important industrial hub of the state and the country.

NALCO launches New Product - Aluminium Alloy AA -1200

n a boost to the Make in India initiative, NALCO launched Aluminium Alloy 1200 (AA 1200), adding one more downstream product to its existing product range, that has wide application in manufacturing of LED lamp cap. Dr. Tapan Kumar Chand, CMD, NALCO, said, "At NALCO, we continue to diversify and focus on expanding our markets with new product launches. In a competitive environment, this new product AA 1200 will help develop new markets and increase the Company's profitability. The Smelter Team at Angul has worked hard to introduce a quality prod-

global market." Commercial production of this futuristic alloy started from August'2019 at Smelter Plant. This alloy is similar to alloy AA 1100. With the commercial production of alloy AA 1200, there will be substantial saving on usage of copper, which is expensive.NALCO has already developed the market for this alloy and will be branding this product in the near future. The first consignment of the new product was flagged off at the Rolling Plant in Smelter, Angul on 24th Sept in the presence Shri M.P. Mishra, ED (S&P), Shri S. Samantaray, ED (Mkt), senior officials and employees.

Non-woven bags distributed by PPT

o do away with poly-I thene bags in our day-to-day life and promote alternate green bags, PPT recently distributed Non- woven bags at local Badapadia markets. As part of on-"Swachhta Hi aoina

Seva & Swachhta Pakhwada" observation at PPT, volunteers of Paradip Sakshyarata Samity distributed these eco-friendly bags to customers in the market area. This will not only ensure a healthy life for localities, but also contribute to minimise the environmental hazard.

Extract of Statement by

Ladies and Gentlemen shareholders of PTC

30th September, 2019

of Shareholders in New Delhi,

Mr. Deepak Amitabh

Chairman and Managing Director

PTC India Limited

20th Annual General Meeting

It is my privilege to welcome you all to the 20th Annual General Meeting of your company. On behalf of the management team, I express my sincere gratitude to all of you for your trust and continued support. It is your unwavering belief in the management that has enabled your company to continue pursuing its mission of developing the market and go from strength to strength in its leadership position every year.

The company's accounts for the year ending 31st March 2019 along with Directors' Report and the Auditors' Report have already been circulated. With your permission, I would like to take them as read.

Macro Outlook

During the year, your company posted a near 10% growth in its trading volumes while navigating a challenging business environment. Despite facing numerous macro-economic headwinds, we continue to demonstrate the increasing relevance of developing an OTC market for serving the customers in India's power industry.

Strategy and capital allocation are the watchwords guiding our business decisions during the year. As we had earlier mentioned, when investments transit from strategic to being merely financial, we take objective calls. And during the year, we have decisively moved in the direction of unlocking value in our subsidiary companies. The framework guiding our capital allocation decisions would have been visible to you all during the year. Let me assure you that it will only be strengthened in the coming years.

Industry Outlook

For The Indian Hotels Company Limited

Sr. Vice President & Company Secretary

BEEJAL DESAI

The power industry saw a 3.5% growth in installed capacity, which reached 356 GW at the end of the year. Energy generation from this capacity was 1,267 BUs; or a growth of 5.3%. This is indicative of increased capacity utilization of the generation assets. Power market clocked a 13.8% growth in volume of power traded to 145.2 BUs in FY19. The trends indicate a step in the market's evolution. However, much more needs to be done to serve unmet and latent demand.

This year also witnessed an effective market based intervention for resolution of stress in generation assets by Ministry of Power. With this initiative of the Ministry, your company signed agreements for 1900 MW of capacity in medium term trades with generating companies and Discoms on the aggregator model. Supply of power has already commenced from 1,150 MW out of this 1900 MW capacity. The aggregator model, which has been adopted for the first time in this scale, is an indication of the potential of markets in delivering cost and efficiency benefits equitably to buyers and sellers. Many more structures of this nature will create the future.

Operational Performance

Your company maintains its leadership position with a market share of more than 45%. During the year, your company clocked an all-time high trading volume of 62.49 Billion Units (BUs); an increase of ~10%.

A milestone in your company's journey towards enhancement of power trade with neighboring countries was achieved with the signing of Power Purchase Agreement (PPA) for Mangdechhu Hydro Electric Project in Bhutan with Druk Green Power Corporation Ltd. The PPA was exchanged by the foreign secretaries during Honorable Prime Minister's recent visit to Bhutan. Power Sale Agreements with beneficiaries in eastern region have also been signed.

New Business Avenues:

PTC Retail, set up to facilitate power supply to the industrial and commercial consumers, has seen considerable growth during the year. With value added services, fueled by data analytics, our clientele is growing and has reached 700 during the year. During FY19, our traded volumes on power exchanges were increased by 5.3% to 21.37 BUs.

In addition, your company is constantly expanding its footprint in the electricity markets through power portfolio management, consultancy services like technical advisory, energy audits, network maintenance and regulatory compliance advisory.

During the year, reputed organizations like Mangalore Refinery,

Reliance Jio, IIT Delhi, ITC Limited, Grasim Industries, L&T and Nxtra Data Center became part of our client list.

Utilities have continued to repose their confidence in your company for managing their power portfolio. Your company is managing Power Portfolio of Bihar State Power Holding Company Ltd. which includes providing IT based solutions for carrying out forecasting, managing power demand, scheduling and procurement.

PTC in Renewable Energy Space:

Your company was earlier selected as the trader partner and signed PPAs with five generating companies for procurement of 1,050 MW wind power under the MNRE and SECI scheme and also signed PSAs with seven state Discoms/Utilities for the entire quantum. This year, 900 MW out of the 1050 MW was commissioned. PTC is also supporting SECI in managing operational and commercial aspects of solar energy and scheduled 1.21 BUs during the year.

Operational Performance of PTC Subsidiaries

PTC India Financial Services Limited (PFS) recorded revenue of ₹ 1,336.51 Crores during FY 19 which is up by ~13% as compared to the previous year. Interest income for the year has increased to ₹ 1,285.17 Crores as against the previous year's ₹ 1,125.45 Crores. The Profit Before Tax is ₹ 281 Crores and Profit After Tax for FY19 is ₹ 184.14 Crores. Headwinds in the NBFC space including liquidity issues and assets quality concerns created a challenging macro environment for the banking and financial services industry. PFS weathered the headwinds well and demonstrated the soundness of its business processes.

PTC Energy Limited (PEL) has renewable energy portfolio of 288.8 MW wind power portfolio in Madhya Pradesh, Karnataka and Andhra Pradesh. PEL has entered into firm long term power sale agreements for all of its projects with respective State Discoms. During the year, PEL clocked robust operating performance and a PAT of ₹ 51.62 Cr. However, realization from the Discoms remained a concern.

Financial Performance of the Company

Let me share some of the highlights of the Year for your company. This year, on stand-alone basis, total Income from operations grew by ~18% to ₹ 13,627.29 crores as against ₹ 11,518.49 crores in FY18. Your company clocked all time high trading volumes of 62,491 MUs which is ~10% higher than last year's volume of 57,018 MUs. The profit after tax at ₹ 262.32 crores is lower by ~18% as compared to the previous financial year on account of less dividend from subsidiary.

Your Board of Directors have recommended dividend @40% i.e. ₹ 4 per Equity Share of ₹ 10/- maintaining its track record of steady growth in dividend payouts.

Corporate Social Responsibility

As a responsible corporate citizen, your company is committed to ensure its contribution to welfare of the communities that are a part of our ecosystem. Your company along with Group Companies PFS and PEL has formed a Trust – "PTC Foundation" for jointly undertaking various CSR initiatives including in the areas of Health, Environment and Skill Development.

Through the Trust, among other initiatives, we have provided skill development training to about 800 youth in health care and other service sector areas. Over 20,000 women have been covered under the project for women empowerment, gender equality and promotion of education. Digital education facilities are being provided to the Army Goodwill schools in Kashmir and Leh Ladakh region. Water ATM and health related camps as well as skill development training have been provided in Orissa. We have also touched the lives of "Divyangjan" (differently abled persons) by providing aids and appliances. Doorstep basic health care facilities are being provided through three Mobile health clinics in Delhi-NCR region.

Appreciation

I wish to end with a note of gratitude to our valued customers, both domestic and international, for their continued support. Your company would not have reached its current position without the encouragement & support received from all our shareholders and members of the Board. We also wish to express our gratitude to the Ministry of Power, Ministry of New and Renewable Energy and Ministry of External Affairs, Government of India, our promoters viz. NTPC, POWERGRID, PFC and NHPC, Financial Institutions and banks for their sustained support to the Company and its initiatives.

Let me conclude by quoting some words from John F. Kennedy that inspire teams at your company;

> "Leadership and learning are indispensable to each other"

I once again thank you for being part of the journey of learning and leading, and for being with us this afternoon.
